It is distributed at the workplace by union representatives and is available online at www.ufcw951.org. UFCW 951 Members Save on Aflac Insurance

UFCW 951 has negotiated special rates for Meijer, Polly's, JBS, Harding's, Fry Krisp and Knouse Foods members and their immediate family on Aflac's Accident and Critical Illness coverage plans. Members from other companies are ineligible because their employer already offers a similar benefit through Aflac.

UFCW 951 members rates are 25 to 50 percent less than Aflac's individual rates. As an added bonus, both policies are guaranteed issue for this initial July 2015 enrollment, meaning you can't be denied coverage for a pre-existing condition.

The Accident program covers expenses following an accident including unpaid medical bills, everyday living expenses and loss of income. The Critical Illness program pays a lump sum of \$5,000 or \$10,000 to help cover expenses when an individual is diagnosed with cancer, suffers a heart attack or stroke, or needs major heart surgery.

For complete information on this money-saving benefit of your UFCW 951 membership, or to enroll for coverage, visit www.ufcw951.org and click on the "Aflac Duck." Individuals without internet access can call Jeremy at 608.224.9863. Enrollment begins July 1 and goes until July 31.
