## 951 Changes Scholarships to Benefit Members

The UFCW 951 Foundation helps members every day through various scholarships, programs and fundraisers. Last year, Local 951 added two new programs to benefit members. Improvements have been made to these programs in 2017 to provide an even greater benefit to members and their families.

### Family Enrichment Scholarship: Grandchildren Now Eligible

Members with non-dependent grandchildren involved in school related extracurricular or community programs are now able to apply for the Family Enrichment scholarship to help with the cost of their grandchild's participation. Family Enrichment scholarships will now be awarded in January, April, July and October.

### Utility Reimbursement Program: Expanded to Assist More Members

The UFCW 951 Foundation Utility Reimbursement Program will award \$9,000 in 2017, up from \$6,000 in 2016, to assist members with utility costs. Five more winners will be chosen each quarter, for a total of 15 winners per quarter. Utility Reimbursement scholarships will now be awarded in January, April, July and October.
