

The UFCW 951 Foundation helps working families every day through various scholarship programs and fundraisers. Working families face unique financial challenges, and UFCW 951 is dedicated to establishing programs that address the needs of all members. Since 2018, the UFCW 951 Foundation has been offering medical reimbursement awards for qualifying medical bills. Dental and vision expenses can also be covered by this reimbursement.

The UFCW 951 Foundation Medical Reimbursement Program will award \$10,000 in 2024 to financially assist members with these essential living expenses.

Winners from this program will receive a \$250 award to reimburse them for qualifying medical bills they have paid in 2024. Ten winners will be selected quarterly during January, April, July and October.
